WEATHER KEY POINTS

06/06/20 - 06/12/20

Saturday-Sunday

- Gusty winds will continue through the weekend across much of the state, with the strongest winds in the mountains and inland portions of Southern Region
- An increased chance of showers and thunderstorms is expected through the weekend, especially in northern CA
 - Gusty winds, small hail, and brief heavy rain are possible with some thunderstorms
 - Snow levels will lower Saturday into Sunday, with slippery roads and minor slush accumulation possible on the higher passes of the Coastal and Inland Regions

Monday-Friday

- Gusty winds will continue Sunday night into Monday across portions of Southern Region, as a Santa Ana wind event develops across the area; these winds will likely decrease a bit Tuesday, but remain breezy
 - These gusty winds, combined with dry relative humidities, will also create elevated fire weather concerns
- Drier weather is expected for the most of the work week, with a warming trend through at least midweek
 - Low to moderate heat impacts could return to portions of the state as early as Tuesday, becoming a little more widespread Wednesday
